A Change In ...

Isaiah 43:19

"See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland."

Joshua 1:9

"Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go."

Deuteronomy 31:8

"The Lord himself goes before you and will be with you; He will never leave you nor forsake you. Do not be afraid; do not be discouraged."

Romans 12:1-2

"Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God—this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will."

Assignment.

There is no doubt that all of us are facing a challenging season. No one on planet earth has been left unaffected by this pandemic. All of us have become used to a "new normal" and we are beginning to realize that the "old normal" is not going to return. It is hard to make decisions amidst such uncertainty and change, and yet God has a way of turning challenges into opportunities if we surrender to Him and seek His will. We do this believing that despite our present obstacles God has our best interests at heart. This is the situation that we find ourselves in presently as our dream of life and ministry in Ecuador has become a casualty of this hideous coronavirus.

We are sad to share that we will not be able to return to Ecuador any time soon. This has led us to make the decision to resign from One Mission Society effective **30 September 2020**. We are extremely thankful for the prayers, encouragement, and support that so many of you have given us. Thank you for believing in us and our dream of coming alongside leaders in Ecuador. As we begin to transition away from OMS we are asking our supporters to stay with us for just one more month in order to give us time to find a new means of supporting ourselves. As you can imagine, this is quite a challenge in this season and we ask that you continue to lift us up in prayer. If you are not able to continue giving that's ok too! We understand completely! **We**

are only filled with thankfulness for the care, concern, and generosity that so many of you have poured out upon us these last five years. We are humbled by your love and friendship. You can use the contact information below to make any changes to your contributions or to the OMS mailing list.

Casting A New Vision

We are sad to lay our dream to rest, but we are excited to share several good things and a new vision that we have for the future. This year the Lord gave Joshua the word “Pursue” and so he has been fasting and praying into that word and asking the Holy Spirit to give him wisdom and direction during this time. It has been a fruitful season and Joshua has a lot of new revelation to share from His time with the Lord. We know that many of you are curious about this. We will communicate these plans with you soon.

These are our prayer requests:

- **Pray for the healthy development, labor, and birth of a new ministry and the transformation and growth that it will bring to Christians around the world.**
- **Pray that we hear God clearly and communicate the vision for our next steps.**
- **Pray for the right ministry partners and visionaries to join us.**
- **Pray for us as we make decisions on how to move forward in all things ministry and family related during this transition and this pandemic.**
